CHAIRMAN.

# Minutes of Meeting

- Chairman welcomes all the members for the first Board of Studies Meeting of the Civil Engineering Board.
- Courses focusing on Schemes of Government of India like Make in India, Digital India, Swach Bharath, National Health Mission, Niti Ayog, and National Disaster Management Plan.
- It is suggested to include Concrete Technology course in Professional Core instead of in Professional Elective and Building Construction course in Professional Elective instead of in Professional Core.
- It is suggested to rename the course Design of Reinforced Concrete and Brick Masonry Structures to Design of Reinforced Concrete Structures and also Design of Seismic and Aseismic Structures to Seismic Design of Structures.
- It is suggested to include courses on Professional Ethics and Human Values, Gender equality, Environment and Sustainability.
- It is suggested to include internship and field projects in the Curriculum.
- Curriculum suggested by Curriculum Development Committee (CDC) is reviewed and recommended.
- Curriculum designed by considering the guidelines of UGC, AICTE, Premier Institutions, Foreign Universities, PEOs, POs, and PSOs of the program and the views of the stake holders.
- Attainment level of Course Outcomes (COs), Program Outcomes (POs), and Program Specific Outcomes (PSOs) are discussed.
- Value Added Courses, Employability Courses, Entrepreneurship, and Skill Development Courses were suggested by the stakeholders.
- Finally the Chairman thanks all the members for their Presence and Valuable Suggestions on the importance of the Curriculum and Syllabus for Civil Engineering.
